POZDRAV LJETU

A large crowd of people is gathered for an outdoor concert at sunset. The audience, seen from behind, is seated on a tiered platform overlooking a stage. The sun is low on the horizon, casting a warm, golden glow over the scene. In the background, a range of mountains is visible under a clear sky. The stage area is illuminated, and a few performers are visible. Many audience members are holding up their phones to capture photos or videos of the performance.
